

centron GmbH holds an unrestricted

# BSI C5 Attestation

## Type 1

C5 stands for  
Cloud Computing Compliance Criteria Catalogue

The attestation covers the review of the system description of centron GmbH's service-related internal control system for the provision of the cloud service "ccloud<sup>3</sup> / Managed Cloud" with regard to the criteria set out in the Cloud Computing Compliance Criteria Catalogue – C5:2020 Type 1, issued by the German Federal Office for Information Security (BSI).

ADVANTA GmbH (Wirtschaftsprüfungsgesellschaft) confirms in its **audit report dated 12 June 2026** that centron fulfills the C5 criteria and issues an unrestricted BSI C5:2020 Type 1 attestation. The audit and reporting process was conducted in accordance with ISAE 3000.

This confirmation was prepared by centron GmbH after receipt of the audit report from  
ADVANTA GmbH Wirtschaftsprüfungsgesellschaft.
